meeting will be held with [REDACTED] on this problem today, and it will probably be placed on the Agenda for the next IAC Meeting.

Mr. [REDACTED] discussed the status of [REDACTED] of OPC with PSB. Mr. Reber stated that it was his understanding that Mr. [REDACTED] was assigned as a Staff Officer to PSB in the same manner as other officials were being assigned from the participating agencies. Mr. [REDACTED] raised the question as to whether the several offices of CIA should be notified. It was agreed that if notification was made it should be done by OPC. Mr. [REDACTED] will follow through on this.

Mr. [REDACTED] brought up the subject of distribution of cables prepared by the Office of the DCI to the interested divisions of the Agency. It was agreed that Mr. [REDACTED] and Mr. [REDACTED] would have the responsibility for sending copies of such cables to the interested Deputies, who in turn would make distribution as they see fit.

Mr. [REDACTED] pointed out that CIA Leave Regulations provided for Compassionate Leave which is not chargeable to Annual and/or Sick Leave. However, in the case of an employee overseas, the present legislation does not provide for transportation to and from the United States.
